Our Alma Mater

ON PARADE

The Senior Class of Drewry Mason High School proudly presents The Spartanian for 1957-58. The staff chose "Alma Mater on Parade" as a theme, for we feel that tribute should be paid to the part Alma Mater has had in our successful progress during the past six years, as we both have grown in mind and stature.

DREWRY MASON *Our Alma*

DREWRY MASON HIGH SCHOOL

An important part of every day--lunch time--whether
first or second lunch period.

TO PRESERVE THE MEMORIES OF OUR FOUR YEARS AT D.M.H.S.

Larry and Bennie are proud of the chest made in Industrial Arts.

"Drewry Mason,

Our Alma Mater, Drewry Mason High, serves the needs of the school and community by trying to foster good citizenship and cultural growth for the present and the future. It constantly endeavors to meet the individual needs and interest of each pupil. While the selection of clubs and classes builds ability to make wise decisions, activities develop leadership qualities.

Three courses are offered Drewry Mason students: commercial, vocational and academic. To graduate in any of these a student must have eighteen Carnegie

units: four must be English, two social studies, and one each of mathematics, science and Health and Physical Education.

The student who plans to go to college, selects the academic course of study, set up in accordance with standard college entrance requirements, which offers four years of mathematics, three of social science, two years of Spanish, two of Latin and three in physical science. Journalism, music, art and speech are offered as electives. (continued page 133)

Through experiments these three find chemistry more interesting.

WE WILL EVER BE TRUE

Students receive room assignments on first day of school.

WHEN WE'VE PARTED

Ronnie, Perry, Melvin and Lee check the projector. They keep it in good operating condition for use in various class rooms to broaden the students' ideas about customs and conditions around the world, and their knowledge of scientific findings.

Principal Pilson and senior, David Minton, compete in "21" with Mr. Robert Lewis as MC. This entertaining Assembly Program was sponsored by - The Scroll, to interest each student in subscribing to the school newspaper for this year.

Former players discuss the '58 Basketball season with Coach Levi. This group is representative of the fine boy's team which made Alma Mater almost win State basketball Championship at VPI in March 1957.

NONE WILL FORSAKE THEE,

David stops to instruct the visiting 7th grade on Orientation Day.

From the days of the 8th grade Orientation Programs, students dream of Beta Club tapping and the wearing of the traditional black cap and gown for boys and the white one for the girls. The five years between drag sometime but as they look into the future, these years seem to have flown by--for it seems only a short while since the seniors were 8th graders trying to find Room 12 or the Library.

Mrs. Maggie Davis

Mrs. Maggie Davis, a native of nearby Patrick County, taught for several years before she went to work at Du Pont. Later, after her marriage to Mr. Jack Davis, she began teaching at Spencer-Penn High School. When that school was consolidated in 1952, Mrs. Davis helped organize the first year at D.M.H.S. Few teachers, if any can boast as many words per minute as Mrs. Davis can. Many a local, state or national question (important or not) has been settled in the discussions in her room! An active patriotic citizen herself, Mrs. Davis urges the juniors in U. S. History and the seniors in government to put into practice the ideas and ideals learned in her classes in Room #8.

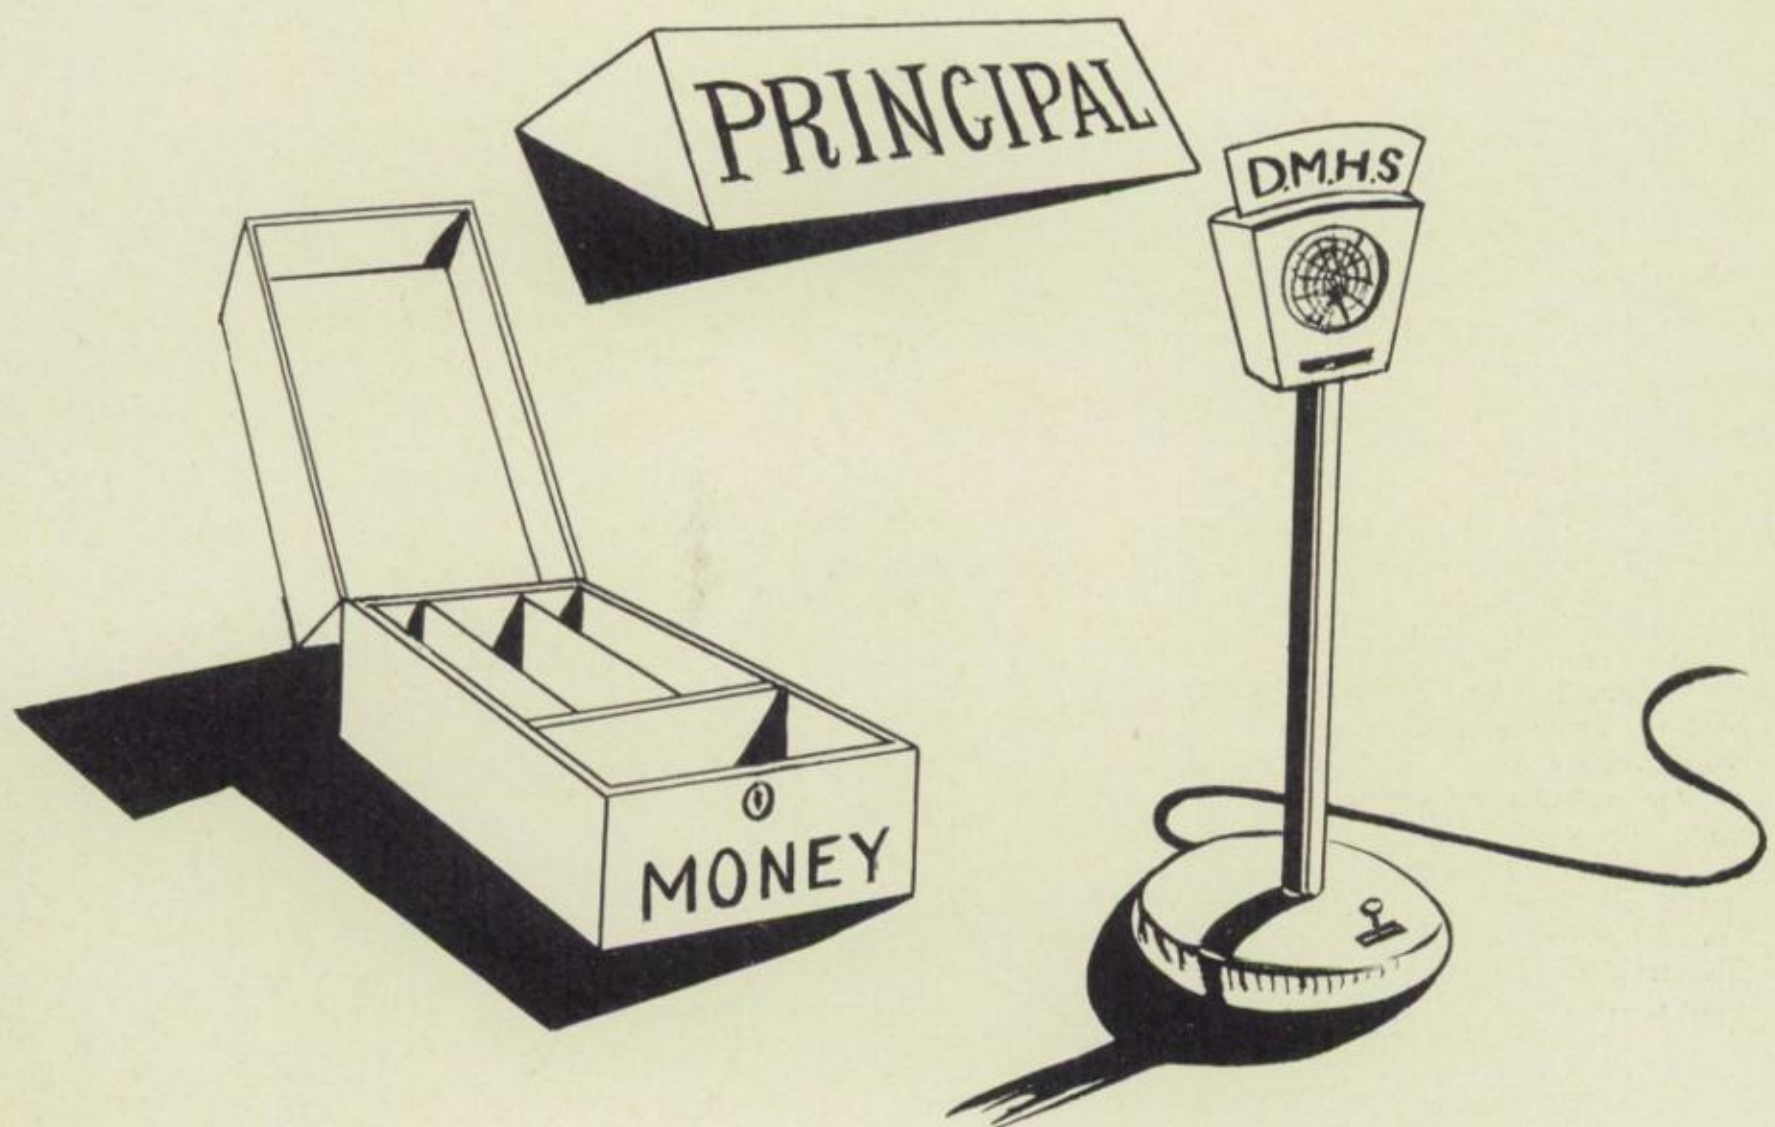

Miss Evelyn Wood

Miss Evelyn Wood, a native of Floyd, taught at Axton High School and came with others of the faculty to help make up the first faculty at Drewry Mason in 1952. Senior English and Room #1 would certainly not seem the same without Miss Wood. She maintains an interest in her pupils even after graduation and school alumni visiting the old school enjoy dropping in on her to discuss Macbeth or Research Themes. They soon ask, "How's Miss Whitlock?", for one seldom sees Miss Wood out of class without seeing Miss Whitlock, for they are always together.

ADMINISTRATION DUTIES FILL THEIR DAYS

Principal Pilson, throughout his sixty years at Drewry Mason has devoted all of his time and energy in service to DMH. It is hard to believe that any one person can successfully manage all of the principal's duties, and still be interested in the students themselves, but Mr. Pilson does it. Some of the odd jobs Mr. Pilson does are: sweeping floors, painting the gym floor, and building on the football bleachers. But Mr. Pilson always has time for associating with students and teachers, for he may be seen talking with the students and listening to teachers. We all know he is always around, but no matter how busy he is, he is still interested in each one of us.

O.E. Pilson
Principal

Mrs. Virginia L. Yarbrough
Secretary

Mrs. Yarbrough, our secretary for the past five years, has proven herself indispensable to D.M.H.S.. Compiling the absentee list, writing receipts, making announcements, answering the telephone, delivering messages, posting the thirty treasures' reports, and typing letters for Mr. Pilson, fill her normal days. When Exam time comes, she types and mimeographs many of those fatal documents!

Mr. Lewis, assistant principal, questions pupils about their absence from school, and signs admission slips. He also checks excuses offered for absences and reminds everyone of the importance of a good attendance record.

PUPIL ACCOUNTING AND GUIDANCE PERSONNEL HELP WITH SCHOOL PROBLEMS

SENIORS ASSUME DUTIES OF CLUB LEADERS

Many times we have wished away the precious moments of high school life but in the years to come, many are the times we shall wish them back.

As we look back on Drewry Mason it is to Seniors, like a lake. As Freshmen we were only a small pebble in this great lake. But with each successive year we grew in knowledge and the pebble became a stone making countless ripples in the lake. Starting our Senior year, we made our first big ripple by electing class officers. One ripple after another was formed as we received our Class Rings, collected "The Mayonnaise Fund," attended the Homecoming Dance and worked on our Play "In Old Virginny". December brought the Snowball Dance and the ordering of our very own announcement cards. Measuring for our caps and gowns, attending the Junior-Senior Prom and participating in the Senior Class Day brought us closer to our goal--the largest, most wonderful ripple of all - graduation.

Recalling all these precious moments, Seniors realize they form a big beautiful lake of memories, which we will have with us for the rest of our lives.

JUNIOR CLASS NUMBERING 86

Early in the fall of 1957 the class elected officers.

We were faced with the task of planning our Junior activities. Frances, our president immediately set to work leading the class in selling Christmas cards and sponsoring a square dance.

We are looking ahead with great anticipation to the presentation of our Junior class play in the spring.

Though we are the smallest class in school we are well represented in the S. C. A., Beta Club, Tri-Hi-Y, Hi-Y, Spanish Club, F. F. A., F. H. A., Annual Staff, Scroll Staff, Basketball, Baseball, Football, and Wrestling.

As rising Seniors, we are looking forward to next year when we accept the responsibility of student leadership at Drewry Mason.

Capable Sophomore officers smile as they make plans for the following year. A girls football game was sponsored in November to make money for the coming Junior and Senior years.

The boys of the Sophomore Class participated in football, basketball, wrestling, and baseball, as well as in the F.F.A., Monogram Club, Hi-Y, Spanish Club and others. The girls basketball team, cheerleading squad and tennis club, also F.H.A., Tri-Hi-Y, F.T.A., and Commercial Club - all drew heavily from the class of 1960. Sophomore Homeroom representatives served on many S.C.A. Committees.

The Sophomore Class is looking forward to the next two years as upperclassmen and the increasing responsibilities which accompany this step.

FRESHMEN REGISTER TWO HUNDRED FOURTEEN

The freshmen class, after a year of bewilderment, settled down to the task of preparing themselves for the next four years of high school.

During the early part of the year, we elected our officers to guide us through the coming year. After much deliberation we found ourselves under the leadership of Judy Vipperman, president; Pete Wells, vice-president; Linda Riddle, treasurer; and Carol Roberts, secretary.

For the first time we have the opportunity to choose our courses. To us this was a step forward. For now we could start studying for our chosen career. As this year draws to a close, we are better prepared for our future places in high school.

Young Replaces Moore as Editor

Under the new system, an editor is expected to be able to do a better job on those papers he has sent to S.I.P.A., because those will be the last ones he will approve.

Concerning Columbia, the new editor will have to practice those before E.S. and, also, all issues of the SCROLL, which are sent to Columbia Scholastic

Editors and Business Managers, Peggy Pratt, Mary Frances Rorrer, Tillman Marshall, and Wayne Minter draw up "Black Book" and Dummy.

We, The Spartanian Staff, sincerely hope that you, the readers, appreciate this year's edition because many hours of long, hard work have gone into the making of this Annual. The staff is composed of 25 members which represent both the Junior and Senior Classes. Last year 4 members of "The Spartanian" were representatives to S. I. P. A. at Lexington, of the four, two co-editors and two co-business managers were selected.

We would like to express our appreciation to our sponsors for the help and time they have rendered throughout the year in publishing "The Spartanian."

In 1958 the Drewry Mason Chapter of F.H.A. received an "outstanding organization" award. Linda Haynes, a member of the club, is an officer in the Philpott Federation.

This year the F.H.A. conducted a nursery at P.T.A. meetings for those parents having small children. They also presented a pageant "Our Heritage," before the student body.

Monthly projects included displaying booth in Civil Defense at two local fairs in September. In October, eleven girls participated in the Dress Review at the Danville Fair. Hospital trays were brightened with favors made by the F.H.A. members in November. In December a Christmas box was fixed for a needy family. In January a UNESCO Stamp Program was sponsored. The Annual Mother-Daughter Banquet was held in February at the V.C. Grill. F.H.A. Week was observed in March, with favors fixed for all the teachers. In April, an International Dinner was held, with dishes of foods from different countries. The Girls dressed in costumes of other countries, made this a very colorful event. The closing event of the year-the annual FHA-FFA Social.

FUTURE FARMERS ACCEPT

This second year of using our football field, found us needing a press box and refreshment stand. With Mr. Tavenner and Mr. Vipperman to plan and direct, the F.F.A. Chapter built this needed addition to our school plant.

The F.F.A. Club has worked very hard to live up to our motto, "Learning by Doing." We sent three delegates, Louis Powell, Pete Pearman, and Jackie Covington to the National F.F.A. Convention at Kansas City, Missouri. We exhibited our F.F.A. bull at the Atlantic Rural Exposition at Richmond, Va., where he won second prize.

Our club entered a team in the following contests: Forestry, Dairy Judging, Degree Team, Public Speaking, Livestock and Farm Mechanics.

STUDENTS GAIN NEW INTERESTS THROUGH COMMERCIAL CLUB

Under the leadership of Betty Jean Gregory, President; Eloise Roach, Vice-President; Betty Joyce, Secretary; Faye Hanks, Treasurer; and the sponsors, Mrs. Covington and Mr. Perdue, the Commercial Club has increased business knowledge and skills.

We gave food and clothing to Christmas Cheer. We plan to have a "Spelling Bee" between members of the club and outside businessmen, we plan to make blackout curtains to be loaned to any teacher who is showing movies.

CLUB EL ESPAÑOL

Much has been done in the Spanish Club this year for the betterment of the school as well as its members.

A Halloween Party was held in the gym for all students with, cake walks, games, and dances. At this party, the winners of the popularity contest were crowned—Ronnie Roberts, king and Becky Mills, queen.

The cafeteria, beautifully decorated with pine boughs and candles, was the scene of the club's

Christmas Party. Gifts were exchanged between the members.

Janet Knight represented the club on the Homecoming Court.

The club served dinner to the Spencer and Irisburg Ruritan Clubs in order to contribute money for a band uniform.

Plans are being worked on for a Spanish Fair, where there will be exhibits of art work and handicraft.

Attention! Did you know that students have a chance to help produce a play, discuss an important issue in debate, display their talents by reading prose, poetry or giving a speech? The Forensic activities are provided for these students who are really willing to work hard to represent D.M.H.S. These include training in research, clear and interesting arrangement of material, all of which presents a greater awareness of the necessity of oral communication.

In 1957, D.M.H. had a larger number participating in these events than in any year in our history.

REPRESENTATIVES FROM ALL CLASSES

Practising the One Act Play -- George Hobson, Carolyn Young, Elaine Koogler, Sheldon Nichols, Elaine Knight, Ann Simmons, Carl Murphy.

Who is the best speller? Kitty Koger, Becky Tyree, Winslow Goins, Dianne Minter, Carolyn Young, Evelyn Powell, George Hobson, Mary Frances Couch, Susan Collins, Jean Patterson, Elaine Koogler, Miss Huddle, Sponsor.

Some of this was due to the fact that everyone in the speech class participated as part of the activities of that class. Through participation in these contests, students learn the fundamentals of speaking in public. They learn how to be poised and graceful under the hardest of circumstances. They improve their diction and enunciation, and learn to confine themselves to a time limit. The debaters learned to do research, and to argue or disagree without antagonism. Work on the play develops co-operation between cast and stage crew. Though everyone didn't win, all who took part in the events had fun, and gained valuable experience.

Reading to select one-act play -- Sheldon Nichols, Carl Murphy, Marvin Cassada, Gale Conner, George Hobson, Roger Scott, Billy Gauldin, Ann Shelton, Jane Southern, Nancy Joyce, Becky Tyree, Elaine Koogler.

WE FURNISH MUSICAL ENTERTAINMENT

The Drewry Mason High School Band under the direction of Mr. Oscar Munch, Jr. entertained fans at foot ball games with several unusual and entertaining half-time shows. While in the formation of a flat boat the band played "Erie Canal" I've been working on the Railroad as they formed a steam engine, and a little brown jug as they played Little Brown Jug.

The band has entertained students at nearby grade schools and given assembly programs at D.M.H.S. The band marched in the Martins-

ville and Leaksville Christmas Parades, as well as the Annual Home Coming Parade at Bedford.

The band has been working hard this year selling candy, Christmas paper, booster badges, pop corn, and running concessions at basketball games to reach their goal of \$3,000 with which to buy uniforms.

The band is grateful to everyone who gave, so generously, of their time, effort and donations to aid in reaching this goal.

SWEDISH IFYE VISITS 4-H'ers

The 4-H Club meets once a month in the school cafeteria with Miss Jo Ann Smith, assistant County Home Demonstration Agent, and Mr. R. S. Cofer, assistant County Agent. At the first meeting a schedule of activities was drawn up. Projects to be undertaken are: Sewing, room improvement, garden, canning, and homegrounds beautification for the girls and field crops, and soil conservation and poultry judging for the boys.

The Henry County 4-H'ers were very fortunate to have an international Farm Youth Exchangee, Torsten Lindberg from Sweden to visit with them during the months of August and September.

Many of the members of the club assisted in their communities by aiding with the community improvement project sponsored by the Roanoke Chamber of Commerce, by working with mailboxes, home, and general beautification of their communities. Two members were featured with their families in the Martinsville Bulletin during National 4-H week.

At State 4-H Short Course Peggy Pratt and Harvey Boaz, Jr. were tapped as 4-H All Stars. At State Short Course Martha Lambeth received a red ribbon in the state style dress revue contest.

LIBRARY CLUB

The Club officers are: President-Betty Lou Gregory, Vice-President-Sandra Doyle, Secretary-Treasurer-Agnes Moore.

The Library Club members are an important as well as attractive part of our library.

Library assistants type and file cards, help keep the library attractive, and collect fines.

Each home-room has a library representative who notifies pupils of overdue books and urges the pupils to use the library more wisely.

The Club plans to subscribe to one magazine and purchase at least one interesting book for the student body and sponsor a 'no fine day' at which time they hope many lost books will be returned.

After completing the required 140 periods during the school year, the members are presented a pin as a symbol of satisfactory service.

The Future Teachers of America Club is one of the newest clubs at Drewry Mason. They have only been organized two years. During this school year it is their plan to get a National Charter.

One week of the year, they hope to set aside as Future Teacher Week. They plan to give an assembly program concerning teachers, take over the duties of grade school teachers for a day, and give the Drewry Mason teachers a tea during that week.

At all times, the future teachers are available if called upon by a teacher for help.

Wayne and Troy help park cars at athletic events.

This is one of the honorary clubs at D.M.H.S. To be a member of this club one has to meet qualifications of both physical and mental strength. You must participate in at least one varsity sport for the required amount of time and then be accepted by a unanimous vote of the club.

Under the direction of the Sponsors, Coach Levi and Coach Jones the Monogram Club has undertaken the job of parking cars at athletic events. They plan to put up a screen for baseball this spring.

SENIOR TRI-HI-Y KEEPS MEMBERS ON MOVE

Delta Mu Sr. Tri-Hi-Y, made up of Junior and Senior girls, is a leading organization in school. The club cooperates with the Hi-Y and Jr. Tri-Hi-Y in conducting devotions each morning.

They adopted two needy families and gave them baskets of food at Thanksgiving, Christmas, and Easter.

The club gave a pot-luck supper to raise money for band uniforms.

Executive committee makes plans for the year.

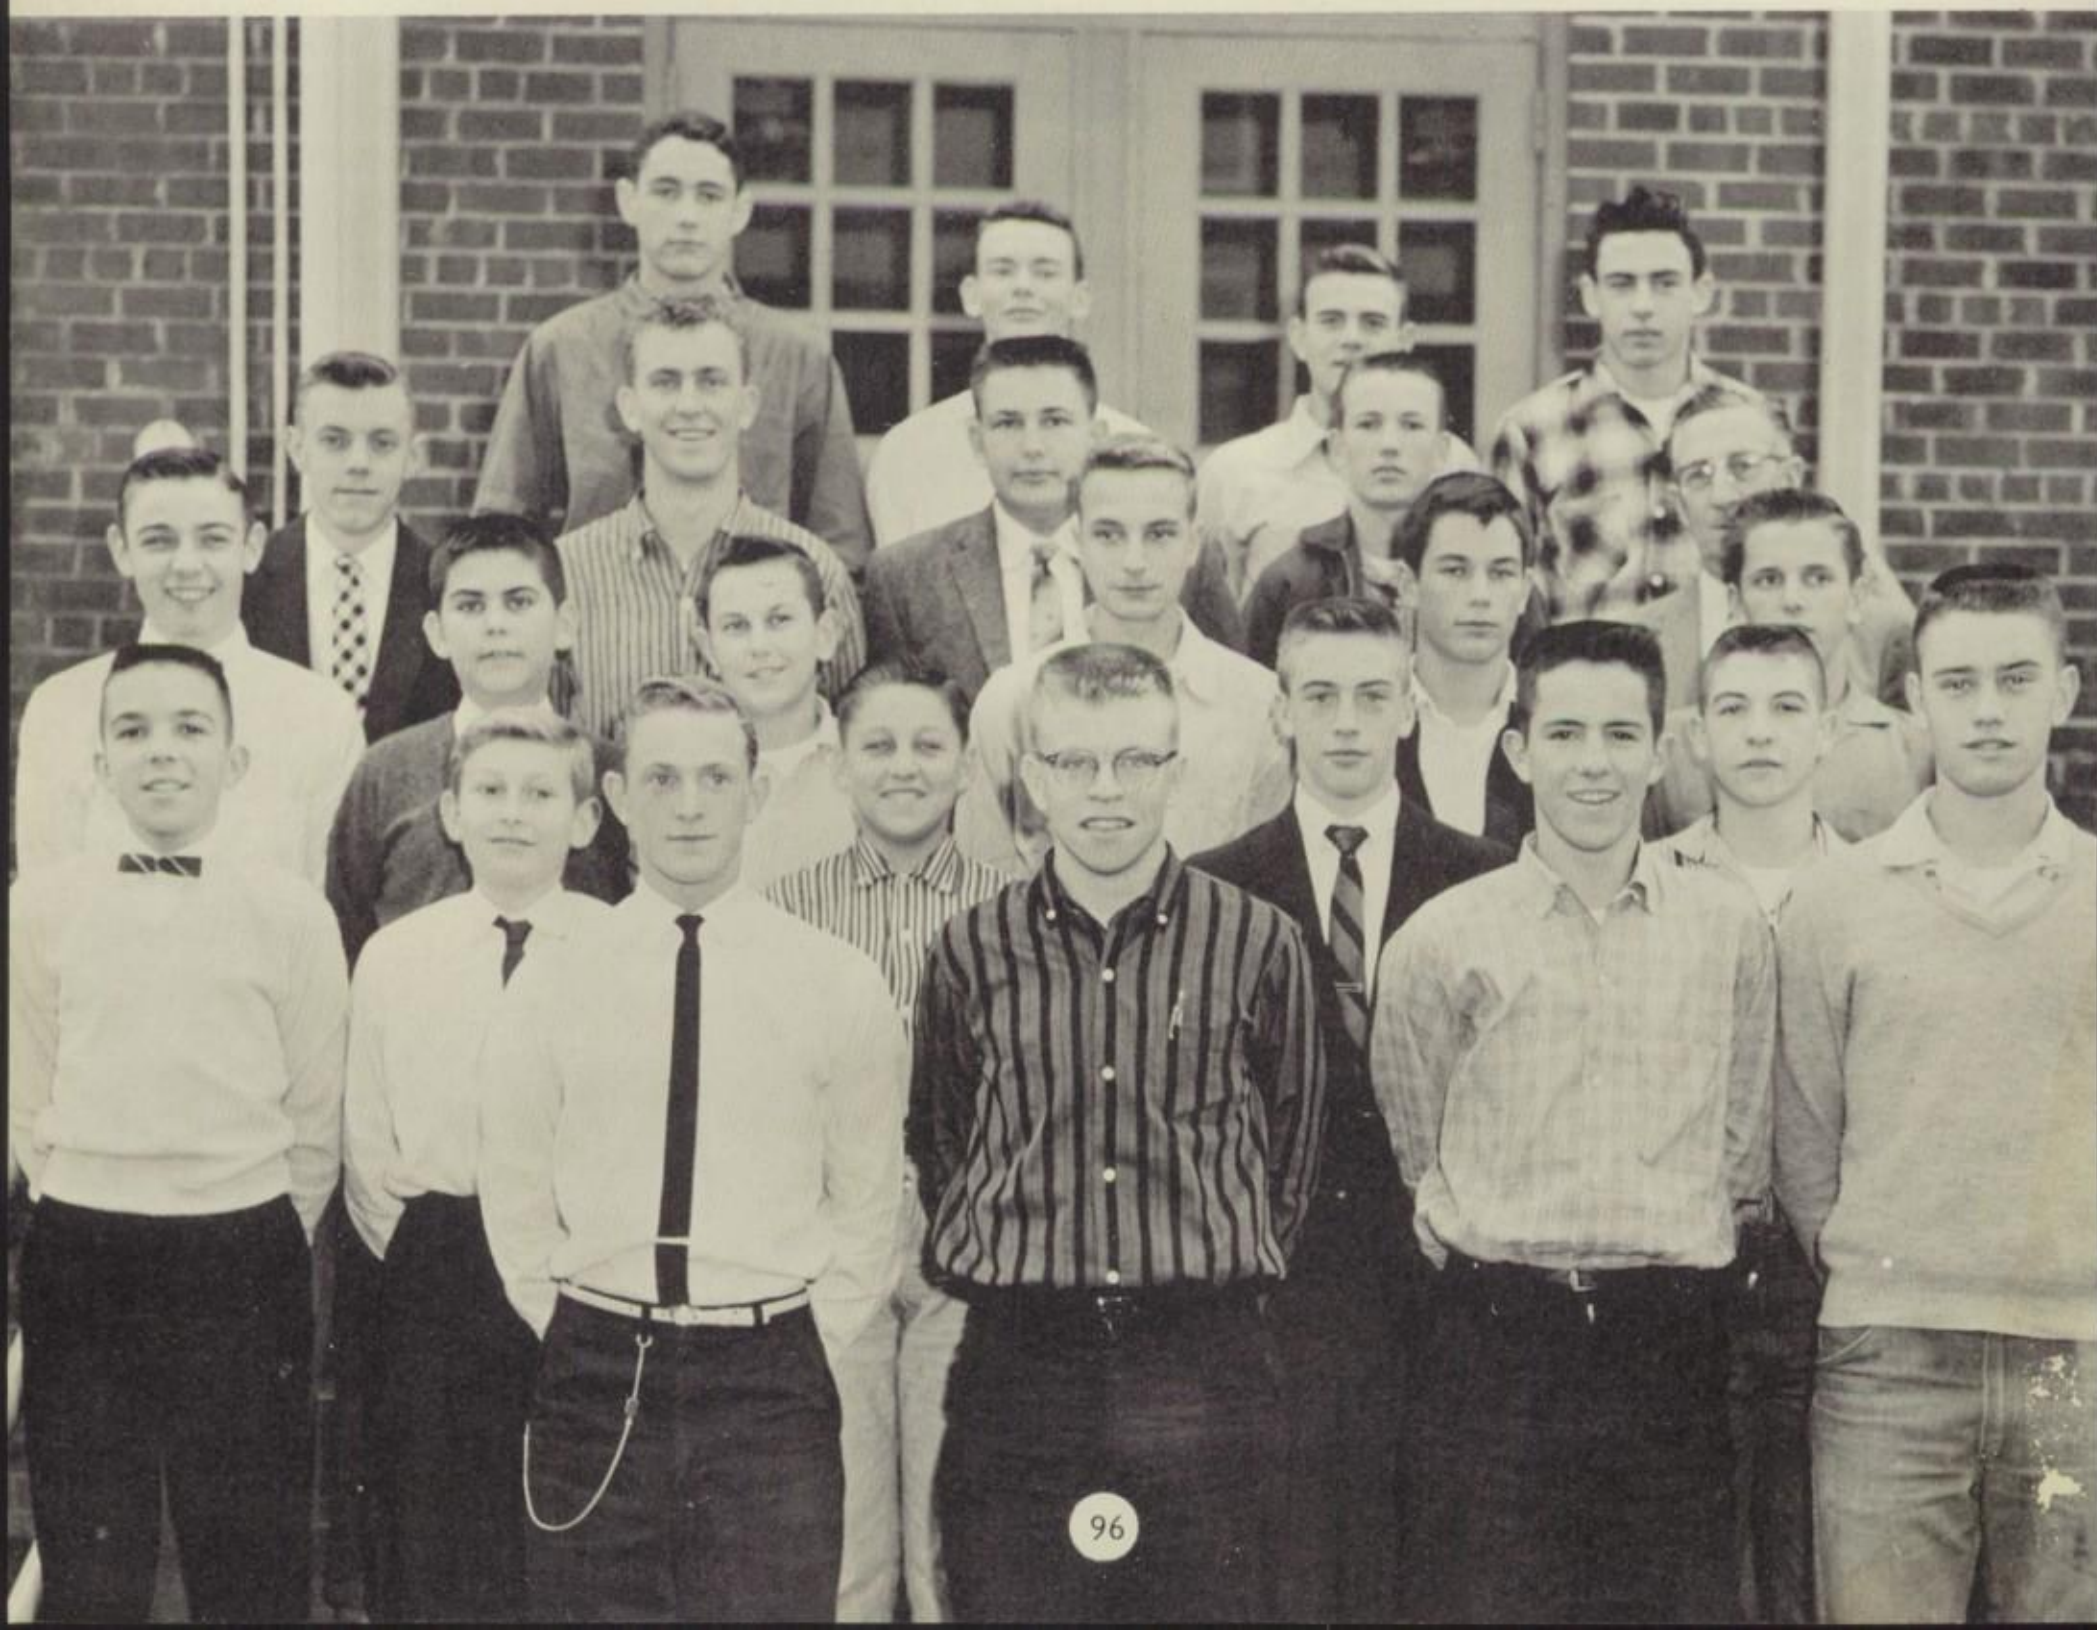

To create, and maintain the standards of christian living at home, school, and community is the purpose of the Hi-y at D.M.H.S. as we join other schools in this aim.

The Y helps to conduct the devotions each morning over the P.A. system, as a short scripture is read and followed by a prayer.

The several pot-luck suppers helped to promote fellowship among sponsors and members.

SAFETY CONSCIOUS PATROLMEN

The Safety Patrol, a much needed student organization assists bus drivers, tries to keep orderly lines while students are getting on or off the buses, helps students in crossing highways, before and after school, and counts the number of students riding on the buses. These patrolmen have helped park cars at athletic events. Mr. Coplin issues belts and badges and meets with the patrol when problems arise.

Patrolman Biggs seats Wilson Washburn.

Jane Covington and Caroline Fisher learn better methods of safe driving from the Driver Training Instructor, Mr. Newby. This training is available to all fifteen year olds and is taken during the student's study period.

Under the superb direction of Coach Eddie Levi, the Drewry Mason Spartans, winners of two District Championships and runner-up in the State Tournament, are making a very good showing for themselves this year in spite of the fact that only six of last years players returned. These vacancies caused by graduation are being ably filled by: Ronnie Roberts, Randolph O'Dell, Larry Lawson, Lawrence Wood, David Gauldin, and Melvin Barnes.

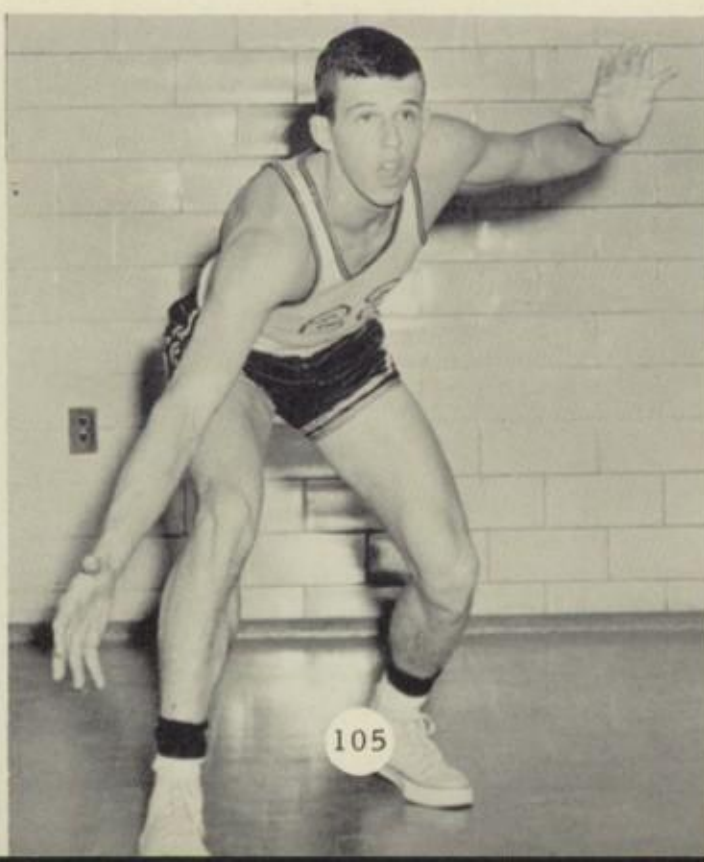

At the present time, we have an overall record of 9-5 and a 9-4 record in district competition. The Spartans have dropped contests to Fieldale, Bassett, and Martinsville. The Spartans still have 5 more district games left to play, with Radford, Martinsville, Bassett, and William Byrd. One non-district tilt with the Blue Comets of Halifax County, a strong group I team, remains to be played.

Learning a skill with every game, the J. V.'s finished their season with an 8 win and a 4 loss record. They played hard-fought, exciting ball. Some of the outstanding players were Richard Tate, Ronald Talbert, Doug Robbins and Reamey Winn. These and other members have shown fine material for our future in the fields of this sport.

The team has shown hustle and spirit, but most of all they have been good sports.

Some are looking forward to next year, when there might be a place for "him" to fill on the varsity.

Mr. Jones, has done the coaching of this team.

The girls' junior varsity basketball team coached by Mrs. Wheeler and Miss Vipperman has been victorious this year, winning all the games they have played. Leaksville-Spray and Bassett each were defeated twice. Since all of the team plans to be back next year, the valuable experience gained this year will not be lost.

A NEW COMPETITIVE SPORT

Much interest in tennis was shown, in trying to learn something about the game, in the spring of 1957. The team sold Spartan Booster Buttons; handled concessions at baseball games and held bake sales to finance the purchasing of equipment. During early summer of '57, representatives of the club, attended night classes on tennis playing, held at Brown Street field in Martinsville. This season we hope to learn more and improve our facilities for tennis.

"SPARTAN BORN AND SPARTAN BRED"

These cheerful young ladies have added much color and excitement to the Spartan football and basketball games. They have cheered the teams on to victory, and have lifted their spirits when they lost. The Varsity Cheerleaders sponsored two dances to raise money for new

uniforms, and collected money at basketball games for the March of Dimes. At the beginning of football games, and again before the Martinsville basketball game, they conducted pep rallies to teach new cheers to the student body.

The pageant was divided into two parts: on May 10, the eighth grade and Freshman girls vied for the titles of princess. Janet Knight was chosen runner-up, and Betty Sheppard, Princess. On May 11, the sophomores, juniors, and seniors competed for the title of Queen. After three hours of tense waiting, Mr. Pilson announced the winners. Becky Joyce was named runner-up, and Jean Patterson was crowned Miss Drewry Mason of 1957. The Queen was presented a loving cup, and the runner-up a bracelet.

The vocational course, for the student who does not plan to go on to higher formal education, offers three years of Home Economics, two of Industrial Arts and three of Agriculture.

The commercial course offers the student planning a business career, two of shorthand and one each of bookkeeping and general business.

To maintain a balance between studies and activities, clubs have been divided into two groups. Group I consists of clubs which the student may join if he wishes. (Among these are the F. T. A., F. F. A., F. H. A., Hi-Y, Biology Club, Science Club and the Tri-Hi-Y.) In Group II are the clubs to which a student is elected because of meeting special qualifications. (Examples of these are the Beta Club, Monitor Commission,

Student Council and Safe Drivers Club.)

A student may belong to two clubs in Group I and as many as he is eligible for in Group II, except he cannot work on both The Scroll (newspaper) and The Spartanian (annual).

So that one student may not hold too many offices for his own good or that of the office he holds, the offices have been divided into major and minor groups. A student may hold no more than one major office, or one major and one minor office, or two minor offices.

To fulfill the responsibility of preparing each student to take his place in society as a useful citizen, Alma Mater continually evaluates the program to meet the changing needs of its pupils in a rural and industrial area.

JUST A SMILE

A smile costs nothing but gives much. It enriches those who receive, without making poorer those who give. It takes but a moment, but the memory of it sometimes lasts forever. None of us is so rich or mighty that he can get along without it, and none is so poor that he cannot be made rich by it.

A smile creates happiness in the home, fosters good will in business, and is the countersign of friendship. It brings rest to the weary, cheer to the discouraged, sunshine to the sad, and is nature's best antidote for trouble. Yet, it cannot be bought, begged, borrowed or stolen, for it is something that is of no value to anyone until it is given away. Some people are too tired to give a smile. Give them one of yours, as none needs a smile so much as he who has no more to give.

We believe you, the Class of 1958, will smile your way to success and happiness.

THE CHARLES B. KEESEE EDUCATIONAL FUND, INC.

This Fund, established by Mr. and Mrs. Charles B. Keesee of Martinsville, Virginia, is in position to aid substantially a large number of boys and girls from Virginia and North Carolina who would like to be educated in Virginia Baptist schools and colleges. The Fund will also aid approved students for the ministry from Virginia or North Carolina who wish to study in any one of the four theological seminaries of the Southern Baptist Convention.

Financial aid is in the form of cash grants to those students who are entering or planning to enter the Baptist ministry or to engage in specific religious work for the Baptist denomination. To all others the aid extended is in the form of cash loans to be repaid with interest at low rates.

According to the will of Mr. Keesee, students from the Blue Ridge Association will have first consideration when applying for aid from this fund.

For further information address W. R. Broaddus, Jr., Secretary-Treasurer, Box 226, Martinsville, Virginia.

OPPORTUNITIES UNLIMITED...

Today, more than ever before, there are great opportunities for engineers, scientists and researchers in industry. Indicative of these great opportunities for young people is the rapidly growing electric utility industry.

If you are a graduating senior, you will want to consider the opportunities in the electric utility industry. If you are an undergraduate, we suggest that you examine your course of studies to make sure it includes math, physics, chemistry and other scientific studies so that you'll be qualified to take advantage of the opportunities industry has to offer. To learn more about these opportunities, contact the personnel supervisor at Appalachian's nearest office. He will be glad to help you.
